PRESS RELEASE

Still Going Strong at 75

Last Saturday, 20th February, West Worthing Tennis and Squash Club bestowed one of its longest acting members Brian Jones with a Lifetime Achievement Award. A member since 1980 the squash player was recognised for his longevity in the sport and services to the club. Newly elected Chairman Andy Kelly, who presented the award, organised a surprise party in the club's function rooms for Brian to mark the event. The words of Andy truly summed Brian's regular colourful appearances on court and individual style over the past years: "He has been an inspiration to us all. Brian has been a keen and natural sportsman throughout his life and despite periods of ill health has continued to play while lesser men would have given up. He has played squash in the Sussex Business Leagues and at the club for many years, and is still going strong playing doubles at nearly 75 years of age!" Brian is just one example of the loyalty the members show to West Worthing Club due to the personal and excellent service it provides. Year on year the club welcomes back returning members and is always pleased to greet new visitors. There is something for everyone at WWC be it tennis or

squash coaching and competitions or one of the club's other activities like table tennis, snooker, running or bridge. The club's excellent facilities of 28 squash and tennis courts and professional coaching team can cater for all for all ages and abilities from complete beginners to advanced players. For more information regarding the club please visit the website at www.wwc.org.uk or phone on 01903 247270.
