

West Worthing Tennis and Squash Club

Junior Tennis Events Programme Summer 2011

1st April to 31st August

Our club is fully committed to providing regular well organised mini tennis and tennis events that help players develop their playing skills and enjoy fair competition.

In this the Club's 125th year we look forward to seeing hundreds of young players enjoying competitive tennis on our courts.

This guide is here to help plan your competitive programme for 2011 please do forward it on to other players and parents in the South East.

More about our summer programme

The following pages list over 90 events that young tennis players can enter this summer. The programme has been arranged in age group categories to make it easy to plan your summer events at the club.

Following the success of our Grass Court Festivals for mini tennis players last year, we will have 4 Grass Court Grand Slam Festivals this year where players enjoy competing on the grass courts at the club, the first 3 are during the summer season with the fourth on the second Sunday in September. These events give players the chance to play on grass and develop their grass court skills, great for movement and concentration. The events also are great for parents and grandparents as we have lots of space by the courts to sit, watch and relax.

We have also extended the number of 12U and 14U events during the summer and these are all at Grade 5 or above giving players the chance to earn ranking points as well as the chance to earn rating wins.

We have added a second Grade 4 Junior Open in May so that now the two Junior Open Events cover all the junior age groups from Mini Red to 18U. They have been arranged so that players wanting to play in two age groups (Green & U12) or (U12 & U14) or (U14 & U16) or (U16 & U18) can enter one event in each of the two tournaments. These events will have consolation events for first round losers.

The 2011 Sussex Open event should be the best ever and we look forward to attracting over 400 players to this Grade 3 event in August for a week of great competition.

For all those competing at West Worthing for the first time this summer we extend a very warm welcome and trust that you will enjoy playing at our events and join the hundreds of players across the south east that regularly compete at the club.

Mini tennis players receive certificates for competing at our events with medals for winners and runners up at most events and medals for all attending our festival events. The club also recognise regular mini tennis competitors with our end of season mini tennis awards.

The following pages list all our junior events and have links built in to take you from this document straight to the right page on the LTA website to enter the event. All our events are booked online with payment made through PayPal. If you have specific questions regarding any of the events please use the email link on the webpage on the LTA website.
