What is the '200 Club'?

The '200 Club' is a private society lottery which was set up 7 years ago with the aim of offering members a monthly prize draw whilst raising funds to put towards various club projects and causes. It is run and administered by club members, with a little help from the club's office staff.

How does it work?

Club members have the option of buying one or more tickets in each monthly draw. Tickets cost £2 each per month (a cost that can be added to your monthly subscription) or £24 per year, if paid in one instalment.

For every £2 you pay into the 200 Club, a minimum of £1 goes into the prize draw with the remainder going towards club projects. Results of each prize draw are published in our regular club email updates.

What projects has the '200 Club' supported so far?

Over the years, several thousand pounds has been raised. The '200 Club' has contributed towards the defibrillator located in the club foyer, bought four new sofas for the club lounge, provided protective eyewear for junior squash and mini tennis nets and equipment, to name a few good causes.
