

Located four miles west of Worthing town centre, West Worthing Club offers its members first-class facilities in a pleasant semi-rural woodland setting. Originally established in 1886, the club, which is a non-profit making organisation, moved to its present site in 1974.

For tennis members there are seven floodlit outdoor all-weather courts, eight grass courts, and three indoor courts are provided, while squash players have the use of six courts including one glass-back with tiered seating for spectators. There are also facilities for croquet, petanque, snooker and table tennis.

Our club professionals are available for tennis coaching as well as offering a well-stocked Proshop and re-stringing service.

The club is a thriving hub for social and competitive tennis and prides itself in offering an excellent junior programme for all ages and abilities.
